FOREWORD

A yearbook can never tell the whole story of a class. It seldom reveals the frustration of a seemingly unfathomable problem or the exhilaration of an eventual solution. It only skims the surface of a deep and lasting friendship with a professor, a roommate, or a classmate.

Yet there are memories which spring to life within its pages: the distinctive pose of a favorite prof, the fellowship of a club meeting, the cramming in the libe, that longed-for den break, the eternal bull session back in the dorm, the hopes and disappointments of a close football game, the excitement of a big weekend.

These are the things we have chosen to tell our story. And while what we say is not so different, the way we have said it is new in many ways. We can only hope it will be received as enthusiastically as it was produced.

All the beauty that is ours.

Castolene

HOW LITTLE DAVID, NOT ONCE, BUT THREE TIMES SLEW GOLIATH

They quietly showered and dressed in an atmosphere of defeat. Within twenty minutes from the time that the Black Bears entered the locker room, they were speeding meekly down the highway away from Bates. Within one afternoon a scrappy, highly-underrated Garnet eleven pushed a mighty power from the University of Maine all over the grid iron. The results: a thirteen to thirteen tie, which does not half indicate the story. From the moment that All-New England end Paul Castolene gracefully pulled down a lofty pass from Swift Hathaway, a feeling of tense excitement flew through almost three thousand spectators jammed into Garcelon Field. On that chilly, fall afternoon, an undefeated, untied Yankee Conference Champion obtained its only blemish. Within two hours the Bobcats so stunned the Maine giant that they never were to recover. Within two hours the unorthodox Hatch offense received national acclaim. But had it not been for an almost heroic effort by the starting eleven, the new offense could never have clicked. What were the results achieved by this unusual football team? Paul Planchon, Howard Vandersea, and Paul Castolene, all achieved All-Maine honors. Howard Vandersea achieved second team All-New England distinction. Ed Wilson was received as an All-East guard. Paul Castolene, besides being voted to the All-New England first team, was first in New England and tenth in the nation in pass-receiving.

Sure that it could never happen again, a boastful Maine Winter Track squad, almost four months later, traveled to Bates, only to be frustrated once again by a very gallant Bates Team; the score: 67—55. The score neither indicates how Peter Schuyler came from behind three times to thoroughly defeat nationally ranked Kimball in a 4:22 mile; nor does it indicate that the meet was not decided until the final exciting minutes of competition. It took Bob Kramer's first place vault to climax what had been a do-or-die effort by the Bobcats. As coach Slovenski was hoisted into the air by his proud team, a feeling of triumph pervaded the cage. The Maine boys once again quickly dressed and were out of sight within one-half hour.

To add insult to injury, three days later, a Black Bear basketball team, was thoroughly out-hustled and out-shot by a scrappy Garnet five. Carl Rapp had his best evening of the year. To quote from a teammate, "Carl, really went out in fine style." Captain Peter Fisk, who during the previous year, had led the Bobcats at the National Small College Tourney at Springfield, added much to the punch of this Garnet five.

Yes, Bates is always the underdog. Yes, Bates does have a habit of beating Maine. How long can this David and Goliath story continue? Somewhere behind this mountain of conjecture, speculation, and guesswork, one thing is certain. As long as our boys continue to hustle, scrap, and fight as they have in the past, Maine will continue to be frustrated and taunted very much in the same way in the future.

FOOTBALL 1961

"It was the best of times, it was the worst of times" for the Bates College football team. In the 1961 season opener, the Bobcats entertained the Tuft's Jumbos at Garcelon Field. Bill Davis returned the opening kick-off to the 24 yard line Ron Deveaux opened the scoring with a two yard plunge and ran for a two point conversion to make the score 8—0. A 22 yard pass from Dave Adzigan to George Kinnaly gave Tufts a 14—0 lead. Midway through the second period, Bill Davis scampered 16 yards to the 2 yard line to set up Paul Planchon's 2 yard dive into paydirt. Tufts came right back with Ron Deveaux scoring on a 5 yard run. With 5 seconds remaining in the half, a 28 yard pass from Swifty Hathaway to Paul Castolene brought Bates her final score of the day. In the second half, Tufts scored three more touchdowns, including a dazzling 88 yard run by Ron Deveaux. The final score: Tufts 42 (Deveaux 28) Bates 12.

At Union, the determined Bobcats battled the Dutchmen for the first 23 minutes without scoring. At this point, a Hathaway to Castolene pass brought Bates 6 points. Just before the half ended, a 20 yard pass from Swifty to Paul Planchon raised the score to 12—0 Bates. It was not until the last 2 minutes of the game that there was further scoring. At this time, Doug Memery took the spotlight. Doug returned an intercepted pass to the 5 yard line and two plays later carried the ball into the end zone. With only seconds remaining, Dill of Union raced 60 yards to make the final score 20—6 Bates.

With the record standing at 1—1, Bates returned home to meet the Airbees from Quonset Naval Air Station. This game marked the maximum output by the Bates team for the '61

season. The Red Shirts led by their quarterback Bill MacNevin scored two quick TD's on short runs by Dave Boone and Archie Lanza. In the second period, Bill Davis scored on a 29 yard jaunt. Opening the second half, Hathaway hit Castolene for a spectacular 75 yard touchdown. In the fourth quarter, Paul Planchon galloped 44 yards from scrimmage for another stirring touchdown. Late in the game, Rucci came off the bench to guide the team 40 yards and scored the final touchdown himself, as Bates walloped Quonset 40—0.

A gray day it was when the Bobcats met the Worcester Polytech Engineers at Garcelon Field. Fumbles and interceptions proved costly for Bates as they led directly to the first two touchdowns. With the score 12—0, Dan Stockwell journeyed 67 yards only to have them spoiled by a clipping penalty. Ten plays later, Bates scored. A 56 yard pass play and another intercepted pass made the score 24—6. A poor kick and another interception added two more touchdowns to the Worcester total. Late in the game, a MacNevin to Castolene pass and lateral to Boone accounted for 70 yards on a touchdown to close-out an otherwise dismal day.

Next, Bates traveled to Vermont to take on the Panthers of Middlebury. Halfway through the first quarter, Paul Planchon fell on a fumbled punt on the end zone to score the first touchdown. Middlebury came right back to score two touchdowns on the strong running of fullback Gordie VanNess. With the score 12—0, Bill Davis powered his way 5 yards to paydirt. At the start of the second half, Dave Holmes put Middlebury back in the lead with a 25 yard run. With the time running out a pass interference call gave Bates the ball on the three yard line. Bill Davis passed to Paul Castolene in the end zone for the tying touchdown. The extra point attempt was wide. The game ended in a 20—20 tie.

In the biggest game of the year, a large homecoming crowd watched a spirited Bates 11 play the powerful Blacks Bears

of Maine to a standstill. Maine scored early. At this point, the Bobcats introduced a new formation christened "the Hatchet." On the combined efforts of Paul Planchon and Bill Davis, Bates tied the score. Dave Cloutier was trapped in the end zone for a safety and Bates led 9 to 7. Late in the second period, Swifty Hathaway tossed a perfect pass to Paul Castolene who raced to the Maine 1 yard line, the play covering 73 yards. Bill Davis dove into the end zone and the score was 15—7. Maine tied the score by recovering a blocked punt in the end zone. A Bates field goal attempt was short as time ran out. Bates had the distinction of being the only team to spoil Maine's otherwise perfect record.

At Bowdoin, Bates lost a little of the fine edge they had the week before. Bowdoin dominated the rather bleak afternoon. Helped by fumbles, interceptions and bruising punt returns, Bowdoin opened up a 25—0 advantage. A Hathaway to Planchon pass gave Bates a score near the end of the half. Bowdoin's final score of the day came in the third period, on Charlie Panteleakos' fourth touchdown. Archie Lanza brought the crowd to its feet late in the game with a brilliant 70 yard gallop. The final score was 31—20 Bowdoin.

A minute and a half after the opening whistle at Colby, the game was decided. A Bates offense that had two weeks previously looked great, sputtered and died. Colby won over Bates 47—0, helped by bitter cold, numerous interceptions, and a great show of offensive might.

The 1961 football season was typical of most Bates athletic endeavors. Bates fans had their moments to cheer and their moments to groan. Senior Eddie Wilson was outstanding. Juniors Paul Castolene and Red Vandersea, and Sophomore Paul Planchon were selected to the All-Maine team. Every starter was in the spotlight sometime during the season, if only fleetingly. Such is the way of small college football.

Soccer 1961, a Much-Improved Squad

This year's club posted a fair record of 2—4—1, which was slightly better than the 1—6 season of last year. This was an experienced team, (later to become riddled with injuries) led by two fine co-captains, senior Dave Rushforth and junior Lee Nute.

The Booters opened the season with a bang, downing Nasson College 5—0. At Bowdoin it was a different story, however, with the Bobcats coming up on the short end, losing 6—1. The team bounced right back, though, pinning a 4—1 loss on Nichols. However, two quick defeats followed this victory, with both Brandeis and Colby notching

4—2 wins over the Cats. The next game was with Bowdoin, but this time it was a die-hard Bates team that lost a heartbreaker in overtime, 2—1. This game set the stage for the season's final clash with the highly touted Colby Mules. This hard-fought ball game ended in a 2—2 tie, which prevented the boys from Waterville from going to the N.C.A.A. tourney.

Certainly a lot of credit must be given to Mr. James Sommerville, the fellow who volunteered to coach without receiving any pay and who devoted much of his time to this team. Seniors Mike MacDonald, Dave Lougee, Jim Nye, Carl Peterson, John Allen, and Dave Kramer were fine competitors and good soccer players, all of whom will be missed sorely next year. Special credit goes to co-captain Rushforth who was forced to play part of the season with his arm strapped to his side because of a shoulder injury.

Look for an improved team next year with co-captain elect Don Mawhinney guarding the goal and this year's freshman sensation Bob Lanz booting that ball harder than ever.

"See me twist!" seems to be the thought of George Beebe as Peterson looks on.

WINTER TRACK TEAM IN STELLAR PERFORMANCE

The 1961-62 indoor track team opened its season on a victorious note, downing Tufts (69½—43½). A victory over New Hampshire preceded Bates' only loss of the season to Northeastern. The thinclads then closed the season with 4 consecutive victories, over Boston College (72—41), Bowdoin (77⅓—44⅔), M.I.T. (86—31), and Maine (67—55).

The season was marked by many fine individual and team performances. The weightmen as usual found the going rough, but Carl Peterson, Jim Nye, John Curtiss, Dave Lougee, and Joe Tamburino each came through with creditable exhibitions.

In the other field events Bates usually took the lead. Freshman Tom Bowditch set a meet record with his season high 6′1¾″ against M.I.T., as he dominated the year in the high jump. Dave Boone and Paul Williams combined to capture the broad jump, and Freshman Bob Kramer holds promise for the future in the pole vault. Paul Williams stood out in the dashes and dropped the Cage record for the 45-yd. dash to 5.0 seconds.

Larry Boston, Pete Schuyler, Jon Ford and Lou Riviezzo sparkled in the 600, while Larry Boston swept the field in the 1000. Finn Wilhelmsen easily captured many of the 2-mile events. He lowered the Bates record to 9:53, thus setting meet records.

Bill Lavallee and Al Harvie burnt up the field in the hurdle events. Lavallee lowered the Cage record for the 45 lows to 5.5 seconds. This was later tied by Harvie.

In the biggest meet of the year, Bates conquered the always tough University of Maine squad (67—55). Pete Schuyler turned in the run of the year with a 4.22.9 mile, a career record. Larry Boston turned in the second fastest 600-yd. ever run in the Cage and also won the 1000-yd. The mile relay team set a new Cage record of 3.27.6, although still short of the 3.24.5 they turned in at the BAA.

Garnet Five Lacks Flash of Former Years

The 1961-62 season was generally not very successful for Bates; the final record was 6—17. The individual playing of Carl Rapp and Pete Fisk was dependable and at times outstanding. Occasionally help was provided by Paul Castolene, Pete Glanz, Thom Freeman, and Mike True. Freshman Fred Stevens also sparked at times.

The big win for the Bobcats was the last game of the season. This was a 69—65 victory over the Black Bears of Maine. The Maine team had succeeded in beating Bates twice during the year. This win by the 'Cats made a nice ending to a rather dismal season.

During Christmas Vacation, Bates participated in the Downeast Classic and finished in seventh place. A win over traditional rival Bowdoin proved to be the outstanding event for the Bobcats.

The essential thing that was lacking all year was the big rebounder. This made the difference in games which were undecided until the last moments. The players who graduate this year are Captain Peter Fisk, Carl Rapp, and

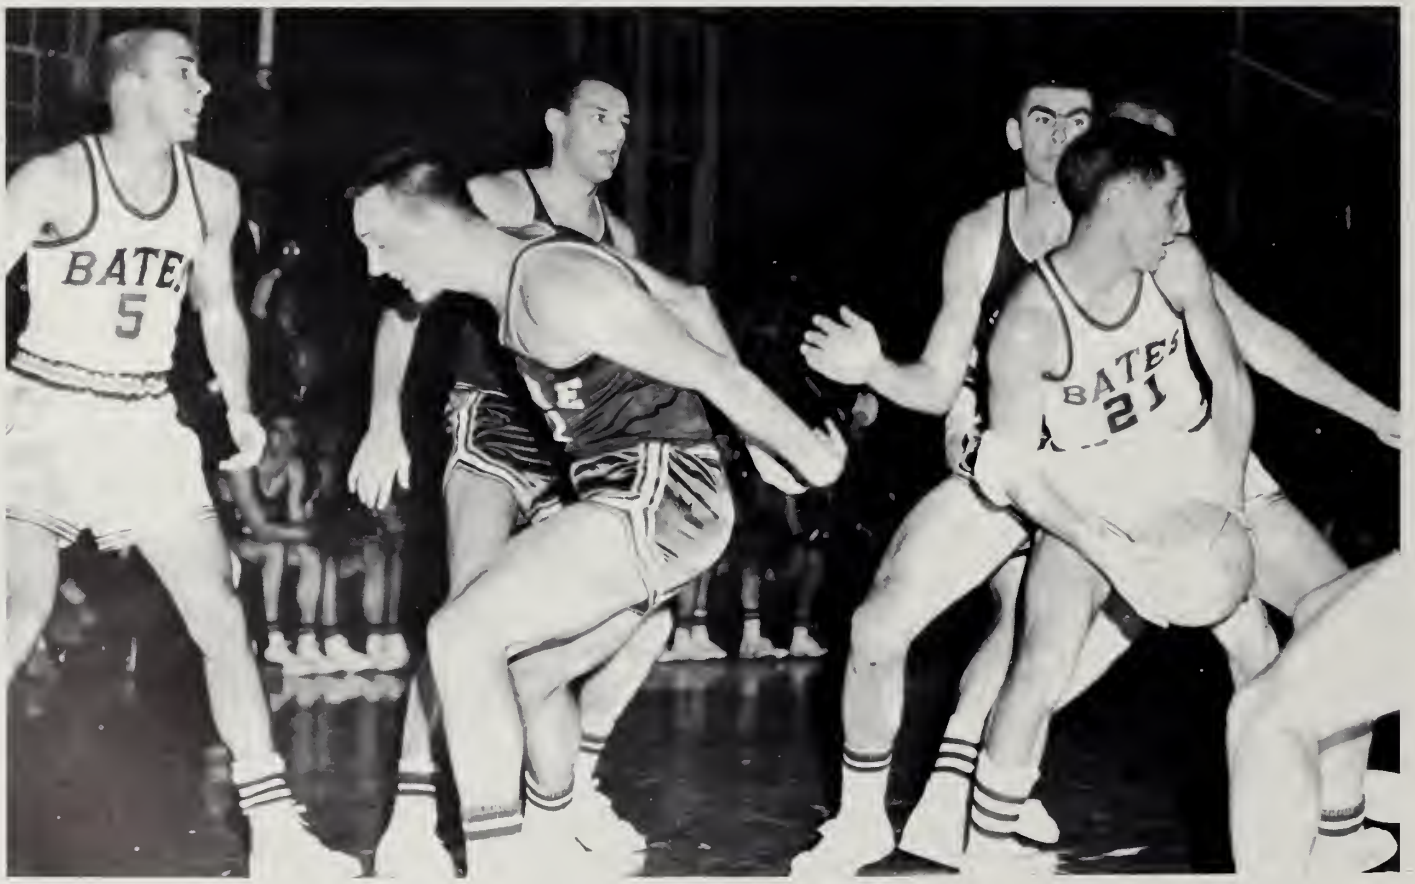
The question must be asked, what actually did happen? The Garnet started off the season by playing spectacular ball against nationally ranked St. Anselm's, in one of the most exciting games of the year. They lost by only a few close points. Then, in quick succession, followed four games that were lost by a few crucial points. This was apparently the straw that broke the camel's back. The Auburn shuffle, devised to shake at least one man loose for a free shot, lost its effectiveness. Whether the 'Cats will be able to come back strong next year will depend upon their rebounding strength. They have the shooters as seen in many of this year's games. Maybe the absence of a rebounder in the person of James Sutherland, was the leading factor in many of the disappointing games of this season.



Carl Rapp finds a gap in the Maine defense.

SPRING TRACK

Dave Boone leaps to a dramatic first place.

Jim Nye combines power and determination.

Bates opened the 1961 Spring Track season by defeating Northeastern 75 to 60, avenging an earlier loss. Paul Williams, then a freshman, was outstanding for the Bobcats. Besides capturing first in the 100-yard dash in 10.3 seconds and winning the broadjump with a leap of 21 ft. 6 in., he set a meet record of 21.9 in the 220-yard dash. Tireless Chico Parillo of Northeastern won both the mile (4:32) and the two mile. Bob Peek and Larry Boston won the 440 and 880-yard runs respectively. Defending State Champion, John Curtiss won the javelin with a 166 ft. heave. The Slovenskimen had to settle for second and third places in the other field events.

In the second outing of the season, Bates easily prevailed over Colby and Brandeis (84—41—39). Larry Boston posted a meet record of 154.1 in winning the 880. Bob Peek, first in the 440, was clocked in a fast 49.6 seconds. Steve Barron tied the meet record of 11 ft. 6 in. in the pole vault. Other Bates firsts were recorded by Dave Janke in the 220-yard low hurdles, Bill La Valle in the 120-yard low hurdles, Reid James in the two mile, John Curtiss in the hammer and Jim Nye in the discus. Dave Politica of Colby set a meet record of 44 ft. 9 in. in the shot put.

In the Maine State Meet, the University of Maine captured 10 of the 15 events compiling 80 points. Maine was followed by Bates with 39, Bowdoin with 27, and Colby with 19. Meet records were set by two Maine sophomores: Baron Hicken with a 14.9 second time in the 120-yard high hurdle trials and Peter MacPhee with a 48.1 second 440 and 21.2 second 220. Hicken won the 220-yard low hurdles with Janke running second. Nason of Maine won the hammer throw with a 185 ft. 8 in. effort. The winning time in the half miles was 1:53.8 run by Spencer of Maine. Kimbal's time of 4:25 was good enough to capture the mile. Dave Boone highlighted the meet with a "clutch" final jump that carried him 22 ft. 2½ in. for a first place. Baseball player, Frank Vana electrified the crowd as he ran a 10.1 second 100-yard dash that took this event. A 5 ft. 11 in. jump captured for our own Jim Hall a place in the winner's circle.

Thus, as powers rise powers must fall, for Bates toppled from the ranks of Maine State Track Champions. Few noticed that the Garnet had a nucleus of sophomores and juniors. This may give a clue to the potential power of the team that will soon launch its 1962 spring track season.

Dave Janke is close behind Maine for a second.

FIRST ROW: F. Vana, L. Sweezey, B. Spector, R. Yerg, E. Rucci, E. Wilson, W. Davis, P. Holt, R. Hart, T. Beal. *SECOND ROW:* Coach Chick Leahey, R. Guerney, D. Feen, J. Bennett, J. Lawler, H. Vandersea, J. Sutherland, T. Freeman, S. Hathaway, R. Taylor, D. Kramer, L. Winkler.

A happy Ron Taylor is greeted by an appreciative Bates team after his game-winning homerun against Bowdoin.

BASEBALL

The 1961 Garnet baseball team finished the season with a 6—9 record which doesn't tell the whole story.

Chick Leahey had a predominantly sophomore club that had many standout performers, Among them were Ron Taylor, who pitched, fielded, and hit his way to his second consecutive All-State selection. Howard "Red" Vandersea, Bill Davis, John Lawler, and Captain-elect Ed Wilson made the Garnet infield a much steadier one than it had been in the past.

The pitching was handled by veteran senior Jack Bennett and sophomores Ron Taylor and Thom Freeman. David Kramer came in for relief work and ended the season with a phenomenally low earned-run average of 0.56. Thom Freeman pitched some great ball which his record does not show. He lost a few real heart-breakers.

This ball club came close to materializing their season into a really good one. Four games lost by one run. It was the offensive and defensive punch lacking at strategic times that hurt them.

Though the Cats will lose Captain Dick Guerney, Frank Vana, and Jim "Spook" Sutherland, they still face a very bright future. Returning is a large nucleus from last year's team. Such returning lettermen as Dennis Feen, Bud Spector, Lee Sweezey, Swift Hathaway, Ted Beal, and Paul Holt hope to make the 1962 season the best the Bobcats have had in a long, long time.

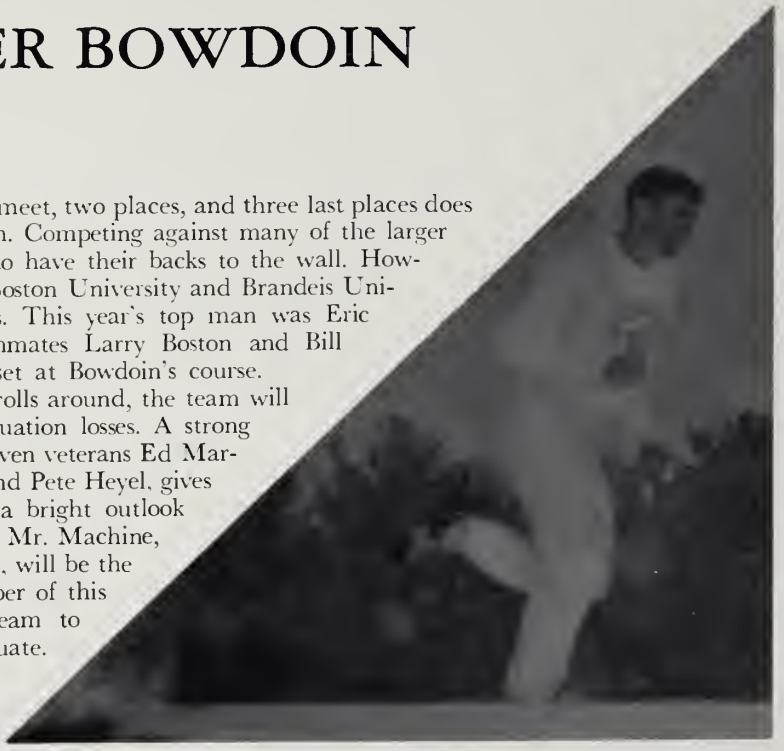
VARSITY CROSS COUNTRY HIGHLIGHTED BY WIN OVER BOWDOIN

A record of two wins, one in a triangular meet, two places, and three last places does not indicate the calibre of this year's team. Competing against many of the larger schools, the "boys" frequently seemed to have their backs to the wall. However, they did come out in front of Boston University and Brandeis University in successive triangu-meets. This year's top man was Eric Silverberg. Together with teammates Larry Boston and Bill Dunham, a new record was set at Bowdoin's course. When Fall of next year rolls around, the team will not be depleted by graduation losses. A strong nucleus formed by proven veterans Ed Margulies, Ed Belden, and Pete Heyel, gives Coach Slovenski a bright outlook for next season. Mr. Machine, Larry Boston, will be the only member of this year's team to graduate.

Co-captains Silverberg and Dunham take a leisurely run through the snow.



Ed Margulies begins a long jaunt uphill.

Hey, Fellows, wouldn't skis be easier?

GOLF

In the sometimes grim world of high pressure New England collegiate golf, the greatest obstacles are not the opposition, but the elements. Playing in adverse weather, the Bates linksmen did eke out some important wins. The sub-par season was highlighted by princely Doug Rowe, whose absence will be sorely felt in 1962.

The amazing development of Captain-elect Bob Zering and Chuckles Lasher into tournament stars towards the close of the 1961 season predicts a great club in 1962.

Coach Hatch is so optimistic that for the first time in many years the golf team will journey to the New England tournament.

Even in the winter, John?

Pete Gove shows correct follow through.

TENNIS SHOWS POTENTIAL POWER IN STATE SERIES PLAY

Last year's team under the direction of Garnet coach Robert Peck, compiled a record of 5—5. This included wins over Colby, Babson, Clark, and two over Maine. Losses were to Colby, Brandeis, Tufts, and two to Bowdoin. The team also showed up well in the State Series Tournament, with two boys reaching the semi-finals.

Last year's Captain, Bruce Kean, will be returning once again to lead a team which was left untouched by graduation. Sophomore Jim Wallach and junior Jim Corey will be the boys to watch when Spring comes around. Also, their well-matched group of teammates should make this a team to be reckoned with.

Perry Hayden concentrates on a high one.

INTRAMURAL SPORTS — AN INTEGRAL PART OF STUDENT LIFE

Perhaps the most underrated part of the Bates College Athletic Program is Intramural Sports, but by no means is it unimportant. It offers to both student and faculty alike a chance to compete in sports ranging from volleyball to football. To those hindered by the strains of academic endeavor, it offers a chance to "let yourself go." A good student is not one who achieves only high academic status, but one who attempts to become a well rounded individual. Intramural sports then, forms a very intergral part of this preparation. Much of the credit goes to the men pictured above, who keep our program going.

Webb Harrison appears to have things under control.

IVY DAY ODE

Four half-decades in the past
When all was slime and bubbles
No knife-cut words were heard like "troubles."
The first trauma, that was all,
Way back then when the clocks ticked, but not
so fast,
And cries were desperate, but only small.

Four half-decades in the past
When scribble jumped in vivid color
Not scrambled headlines on news-pulp pallor,
But womb-like murals of seasons warm
When toys were breathing and would always last,
And help-cries to mother would surely calm the
storm.

Two half-decades in the past,
The slime had dried from smoothest skin;
Fear had ordered fright and shown the danger of a
pin.
But the murals now were softer,
The bigger world now seen from atop a higher
mast;
The image-filled brain struggled to express the
newborn feeling of "alofter."

Two half-decades in the past.
Friends were best as long as sexless.
Mothers were "meanies" who didn't like a mess,
Fathers vague calendars of weekends and evenings.
Way back then when rubber bodies found sleeping
still a task,
And sweaty limbs the only world-things seething.

Five tempest-years in the past
When the world was moaning black.
And pimple-sinned faces couldn't look back,
When the future was day-long and broken.
The clock in chaos of slow ticks and fast,
Then the twisting notes from life's cruel horn were
only crudely spoken.

Five tempest-years in the past,
The crying had stretched to screeching;
The pin had become a sin named sex, always
creeping
Among the falling leaves of pain.
The many-wired mind looking for hot solder that
would last
And give sun-like meaning to the deep, black stain.

And now the microscope of life
Is cone-focused on our present grain
As it passes through the hourglass's slenderest lane.
Our grain, with adequate foundation,
And yet above it being pressed by many others
filled with strife,
Must now realize life's great temptation.

Life's past is now our fertile soil
Into which our bitter-sweet seeds must penetrate
deeply,
Must nourish themselves, but mingle their roots not
meekly
With other potentials in vibrant communion,
In realization that the garden is still filled with
toil,
But man as the highest stalk against the sky can
never be pinioned.

The seed is planted.
After germination comes the upward surge
Higher than the might of wind and seas.
O ivy, grow! You must!
We anxiously await your leaves.

Your guess is as good as mine!

The Prince Valiants
